

Presents:

**Dr. Wendy Siegel**  
**Assistant Professor**  
**Southeastern Louisiana University**  
**Department of Teaching and Learning**

**"The Importance of an Effective Functional Behavior Assessment (FBA) and Behavior Intervention Plan (BIP) When Addressing Student Behavior"**

Wednesday July 16, 2008  
Hammond Health Unit  
9am-12pm  
15481 West Club Deluxe Road  
Hammond, La.

This informative workshop will focus on the importance of having a valid FBA and BIP when addressing student behavior in the classroom. It will also address the components that each plan should contain and who should be involved in developing each plan in order to effectively change unwanted behavior.

***This workshop is open to parents, teachers, and school administrators.  
Please call today to reserve your seat at 985-875-0511 or email
